

GOLD CREEK RADIO INSTRUCTIONS

Going to Transload:

- When approaching the Canfor Security Gate select channel 165.90 and call "Empty sand truck entering Canfor Road at 49Y". Security will ask for:
 - Trucking Company's Name: _____
 - Who you're working for: Baillys
 - Destination: N ½ 10-68-05-W6M
- Once the Security personal have your info, switch to the Big Mountain Haul Road channel 170.70 and monitor for on-coming traffic.
- When you turn off the Big Mountain Haul Road onto the Pit Road switch to Ladd 3 and monitor for on-coming traffic.
- Once onsite use Ladd 4 to speak with the Scale House.

Leaving Transload:

- Switch to Ladd 3 and monitor for on-coming traffic before turning onto the Pit Road.
- At KM 1 switch to channel 170.70 and monitor for traffic on the Big Mountain Haul Road.
- Prior to turning onto the Big Mountain Haul Road use channel 170.70 to call "Loaded sand truck entering Big Mountain Haul Road at KM 44. Anyone close?" Wait 5 seconds for a response.
- If you are heading back to Highway 40 there is no need to check out at the 49Y Security Gate. If you're turning left at the 49Y Security Gate onto Canfor's Main Haul Road, then use channel 165.90 and advise Security of:
 - Trucking Company's Name: _____
 - Who you're working for: _____
 - Destination: _____
- Switch to channel 170.7 and call at all Must Call Signs.

*** All Traffic Must follow Canfor's Road Use Procedures ***
*** Pick Ups Do Not Check in at Security Gate & Only Call at Bridges ***
